EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Reginald Suyat (Reg # 28,172) on 10/19/10.

The application has been amended as follows:

In claim 21, line 1, the phrase "treating diseased, injured or abnormal bone" has been deleted and the phrase --- "increasing bone growth in a subject in need thereof" --- has been inserted therefor.

REASONS FOR ALLOWANCE

Applicant's amendments and arguments, filed 08/23/10 have overcome the rejections of the office action mailed 05/28/10.

The following is an examiner's statement of reasons for allowance: The examiner has found claims 21 and 22 to be unobvious over the prior art of record and therefore to be allowable over the prior art of record. The present invention relates to a method of increasing bone growth in a subject in need thereof at a tissue site of desired bone growth comprising the step of applying onto said site an injectable liquid composition comprising an effective amount of a mixture of hyaluronic acid, growth factor bFGF and excipients to maintain biological activity of said factor, said composition being sufficient to enhance bone growth rate and magnitude and having a viscosity and biodegradability sufficient to persist at said site for a period of time sufficient to enhance said bone growth rate and magnitude. The method of the present invention is not taught or suggested in the prior art and is not obvious over the prior art.

In addition, it should be noted that terminal disclaimers which disclaim three patents, 6,221,854; 5,942,499; and 6,703,377 have been previously recorded and approved or accepted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael C. Henry whose telephone number is 571-272-0652.

The examiner can normally be reached on 8.30am-5pm; Mon-Fri. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Shaojia A. Jiang can be reached on 571-272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
